## Company Safety Policy Statement

It is the policy of Cedar Valley Transit Lines, Inc that passenger safety is our number one priority and that safe operations are an essential and paramount concern to our operations. Every attempt should be made to reduce the possibility of accidents and reduce the needless suffering and waste they represent.

Our procedures and operating rules therefore demand:

1. Safety takes precedence over expediency or shortcuts.
2. All safety laws and regulations be complied with
3. Every employee be part of a company safety effort through attitude and work habits.

We regard these guidelines as the best long-term means to protect both the public and employees and to ensure continuing efficient company operations.
